

# ABC with TWB Program

## Reducing tuition costs at Assumption Parish

In May of 2010, Assumption Parish began a new program that allows parents of children in Assumption Day School, Early Learning Center and Parish School of Religion to reduce their tuition costs through the purchase of TWB scrip.

The TWB (Together We're Better) program offers cards for sale from restaurants, supermarkets, discount stores, home stores, specialty stores, drug stores, gas stations, car washes, and others. Assumption Parish earns discounts from those merchants in varying amounts. Cards may be purchased through the school order program, at the Assumption Parish office or after Sunday Masses.

The ABC program gives families credit for their purchases in the form of a tuition rebate. Parents, grandparents, other family members and friends can each sign up and have their purchases credited to your family. They do not have to be a parish member to participate.

At the end of April, and at the end of October, families are informed of their earned tuition rebate and, if they are up-to-date on their tuition payments, they may deduct the rebate from the following month's payment. If they have paid tuition in full, a check will be mailed.

Target, WalMart, Visa, Toys R Us and all gasoline cards allow Assumption Parish a smaller discount than normal on their cards. Purchases of these cards by those assigning their credit to your family will earn 1% tuition rebate for your family.

Purchases of all other cards – restaurants, department and specialty stores, car wash, drug stores, etc. will earn 4% tuition rebate.

Participants must sign up and assign a family that will receive credit for their TWB purchases. They will receive an ABC card with a number, which should be shown when making purchases.

Assumption reserves the right to add or subtract cards from either high or low discount category should the merchants' discount change.

Virtually every purchase you make can earn credit toward your child's tuition. Applications for the ABC with TWB program are available through school, ELC, or the parish office.
