

To: Elementary School Principals and PSR Directors

The annual OPEN HOUSE at Catholic High Schools will be held on Sunday, November 6, 2011.

It is very important to get this information out to your parents so that they can take advantage of this very good opportunity to see the high schools. Attached is a “poster” that includes the times the various high schools will be open.

PLEASE .. duplicate this and send it home with your students now so that they can make plans for the day.

PLEASE .. post this in various places around the school and parish.

This information is also available on the archdiocesan website (www.archstl.org).

We appreciate any encouragement that can be given to students to take advantage of the OPEN HOUSE opportunity.

Thank you again for your assistance in promoting Catholic secondary education.
