

Dear PSR families,

Assumption Parish is committed to offering a strong religious education program for all parish families. This letter comes with a special note of gratitude to the Parish School of Religion families for their support and participation in our PSR program. Thanks to all that you do, we are able to build upon the teaching of the Catholic faith that begins in the home.

We are fortunate to have a group of dedicated volunteers who share their time and talent as catechists in the Parish School of Religion. We offer a sound catechesis and faith formation experience for the children enrolled in our classes because of the work of these fine men and women.

Planning is an essential element in providing a quality program. March is the time when we begin to formulate the plans for the next school year. The first step in the planning process is the registration of students.

Registration materials for the 2009-2010 school year have been included with this letter. While the recent downturn in the national and international economy have affected all of us, it is important to note that tuition for the Parish School of Religion has not increased over the last two years and will remain the same for the coming year. Please complete the enclosed registration materials and return the completed forms in person or by mail to the Parish Office by May 1, 2009. Please note: All forms must be returned before your registration is complete.

If you would like more information regarding registration or have any additional questions, please contact Mrs. Donna Koppy at 314-487-6520 ext. 2219 or kopyyd@assumptionstl.org; or the PSR administrative assistant, Mr. Matt Schoen at 314-487-6520 ext. 2212 or schoenm@assumptionstl.org.

As we look toward the new school year, we give thanks for God's many blessings and look forward to the privilege of teaching the children about our Catholic faith.

Sincerely,

Donna Koppy
Coordinator of Faith Formation for Children
