

Assumption Parish School of Religion

Permission Form for Student Involved in Media/Marketing Materials

Occasionally someone from the media contacts our parish school of religion about a feature story. It is important that we know before the media arrives if you have any objection to your child(ren) being included in these stories. Additionally, occasionally the parish school of religion will prepare a marketing or informational brochure. Signing this form authorizes the parish school of religion to photograph your child(ren) and use the photograph in brochures or other similar publications. Please fill out and return this release. We will keep it on file for the coming school year. If the form is not returned your child(ren) will automatically be excluded from any media or marketing situations. The marketing materials would be limited to ads, brochures, or fliers and would not include anything on our website.

NOTE: This form applies only to feature stories, ads, brochures, and fliers. If reporters come to the parish school of religion for a general news story the PSR administration will make every effort to keep them from interviewing or photographing students.
